Objective:
Determined and creative Web Developer looking to utilize eagerness to learn, passion for coding, and problem-solving to transition from labor-driven work to development in the tech industry.

Education:
- **Eleven Fifty Academy, Web Development Immersive Learning Program, Indianapolis, IN, June 2020**
  - 12-week immersive learning program for Web Development taught with industry-guided curriculum, real-world project-based learning, and 500+ hours of logged coding time and training
- **Indiana University, Informatics, Bloomington, Indiana, November 2012**
  - Attended 3 semesters IUB from Fall 2012 – Fall 2013. Focused study in Informatics and music, and applying design & development to professional recording softwares.

Competencies & Functional Skills:
Problem solving, troubleshooting, creativity, visual/written/verbal communication, customer service, critical observation and thinking, organization, Agile methodology, portfolio development, addressing and resolving business challenges

Technical Skills:
Languages: JavaScript, Node.JS, React, TypeScript, C#, Heroku deployment
CI/CD: Agile, Scrum, Git
Testing Tools: Postman
Databases: SQL Server, MongoDB
Web Technologies: HTML, CSS, APIs, stateless components, session validation, responsive web design

Technical Projects:
- **Musique Base website** https://musique-base.herokuapp.com/
  - Utilized React, ES6, CSS 3, Reactstrap, and NodeJS to design & build the server and front-end of the Musique Base web application
- **Quester website https://tcl-quester-client.herokuapp.com/**
  - Utilized React, TypeScript(TSX), CSS 3, Reactstrap, and NodeJs to design & build KLM Visuals's website
- **Pokémon Search App** https://tyler-lady.github.io/api-challenge/
  - Utilized PokéAPI, HTML 5, CSS 3, and JavaScript(ES6) to create a Pokémon search app in which you can find information about and images of a specific Pokemon using a search bar

Professional Experience:
Warehouse Associate, Bounds Flooring, Bloomington, IN, September 2019 – June 2020
- Maintaining daily operations and cleanliness of our warehouse space
- Assisted in organizing the scheduling of following day's clients
- Prepared all job materials in neat sections for the following day of business
- Responsible for handling daily shipping and receiving operations of warehouse
- Regularly connected with clients for scheduling, then prepared and delivered orders by prior agreed upon day and time
- Travelled to various locations in Indiana and Ohio to install materials and represent Bounds Flooring directly
- Oversaw operations for corporate clients on multi-million dollar contracts

Publishing Consultant, Author Solutions, Bloomington, IN, July 2019 – September 2019
- Focused in the classroom to learn the companies mission and multitude of products
- Observed experienced consultants and studied methodology to be professional, concise, and effective
- Managed daily time to contact my clients at a convenient opportunity to discuss our available services
- Contacted and managed project and project data for over 300 clients
- Created genuine connections over the phone, and in-person using precise written verbal communication
- Learned and followed an efficient sales methodology of introduction, discovery, pitch and close steps

Busser/Dishwasher, Mother Bear's Pizza West, Bloomington, IN, December 2016 – July 2019
- Operated efficiently under high stress in a busy restaurant environment
- Singlehandedly, and with a team, maintained clean customer surfaces and kitchen equipment
- Assisted my team and managers with any necessary task besides my main responsibility
- Created a professional and enjoyable work environment for staff and customers
- Performed to a high standard of excellence throughout long shifts and after work with other employer
- Interacted with customers daily to provide exceptional service and experience

Flooring Installer, Bounds Flooring (Sub-Contractor), Bloomington, IN, July 2016 – February 2019
- Responsible for working alone, or with team, to meet deadlines in a timely manner
- Worked for apartment complexes, various companies, individuals, City of Bloomington, and the U.S. Govt.
- Created professional working relationships with our contacts at our client businesses
- Performed a multitude of tasks daily, managing our time and workflow for maximum efficiency
- Interacted with various people of different backgrounds as liaison of our team with others
- Travelled for many of our numerous jobs
- Built upon established skills with new ones, practice, and improved methodology

Installation Assistant, Bridgewater Installation Service, Bloomington, IN, November 2015 – July 2016
- Worked with clients to provide satisfactory service by a deadline
- Operated on different schedules, including first, second, and third shift
- Represented ourselves, and our contractor, on numerous large contracts with corporate clients (GM, Cook Medical, IUB & IU Health)
- Continuously learned new skills as required by the next contract
- Professionally installed wood, laminate, vinyl, carpet, cpt. tile into hospitals, offices, universities, factories, resorts, and homes

Achievements & Awards:
- EFA Core Value Award (nominated by classmates)
